“COMMUNITY FIRST”

Audre' J. Washington
Candidate for Mayor

Audre' was born in Lake City to the late McKinley and Willa Merrick-Jeffers. At a young age her parents instilled in her a spirit of "giving back" to her community. Her Volunteerism dates back to the early 70's; believing that: "to whom much is given, much is required".

Audre' is known throughout her community as a loving and compassionate person to all people. She is a member of several local, state, and national boards. She is a licensed and ordained Elder in her church and ministers in many capacities in schools and prisons throughout the state.

Audre' has over 30 years of public and community relations expertise within Columbia and surrounding counties. Her focus for the city is to bridge the divide between city and county government by engaging and empowering the people to assist in creating a shared "oneness" within Lake City in every aspect of local government.

Let's become inspired in making Lake City's Gateway Greater through PEOPLE & PARTNERSHIPS!
