**Contractor must acknowledge receipt of all addenda with proposal on the form provided herein.**

**The purpose of addenda #2 is to provide answers to additional questions.**

1. Do you have the color or color number to reference so we can match the exact color of the existing building?

**Answer: white**

2. Are the roof panels in Galvalume finish? If not please provide color.

**Answer: Color to match existing building – White**

4. What is the budget for the project?
