NOTICE OF INTENT TO SOLE SOURCE

The City of Lake City intends to recommend an award to ONLINE Information Services as the only company that offers utility customers the total solution to help eliminate write offs. ONLINE Information Services claims to be the only provider that can offer both the point of service application screening tool as well as utility industry specific third party collection services.

ONLINE through the ONLINE Utility Exchange is the only service on the market that incorporates a proprietary Exchange Database that allows utility service providers to report their bad debt information to other utility providers. Their applicants screening service is the only one in the industry that incorporates not only credit screening, but also identity verification and the utility specific Exchange Data.

Vendors who believe that can meet or exceed the above statement requirements must provide convincing technical data sufficient to support their position. The City of Lake City Procurement Department must receive replies to this notice no later than 5:00 PM, local time, on Monday May 22, 2017. Responses to this notice will be used to determine whether bonafide competition exists.

Send written responses to the City of Lake City Procurement Department, 205 N. Marion Avenue, Lake City, FL 32055, Attn: Laurette Burks, burksl@lcfla.com, or fax number to 386-755-6112.
