Other Conditions and Requirements:

- If required by City or County Building Inspector, an appropriate installation permit and inspection must be obtained from the authorized local Building Inspection jurisdiction.
- Rebates are subject to change without notice and are subject to approval.
- Natural gas furnace, water heaters (standard & tankless), clothes dryers and ranges are eligible for rebates without restrictions.
- To qualify for space heater, generator, fire log, grill, pool heater or gas light rebates, you must have or install a natural gas **water heater or furnace**.
- Your **paid receipt(s)** for appliances purchased, and your **paid invoice(s)** for contractor installation charges, must be submitted with application.
- Rebates cannot exceed the total installed cost for the appliance(s) (**cost of the appliance(s) AND contractor installation charges**)
- Rebates will be paid via check and sent to the Applicant at the Mailing Address listed above.
- Rebates will not be given for stub-outs; appliances must be installed.
- Rebates will only be paid for newly purchased appliances or appliances converted from propane, NOT for used appliances purchased after-market.
- Rebates are limited to one for each type of natural gas appliance at a given address, except for gas lights.
- Replacement appliance rebates (column B) are for natural gas-to-natural gas appliance replacements.
- This application must be completed entirely and submitted within 60 days of final inspection for rebates to be paid.

I have read and understand the above conditions and requirements of this rebate application.
